

PIOC — FY25 & 1QFY26 Analyst Briefing Takeaways

Pioneer Cement Limited (PIOC) conducted its analyst briefing to discuss FY25 and 1QFY26 financial results along with the future outlook of the company.

Following are the key highlights:

- Company reported profitability of PkR4.9bn (EPS: PkR21.47) in FY25, a 5.8% YoY decline from PkR5.2bn (EPS: PkR22.79) in SPLY, given contraction in gross margins.
- For 1QFY26, earnings increased 25%YoY to PkR1.3bn (EPS: PkR5.6) compared to PkR1.0bn (EPS: PkR4.5) in SPLY, primarily due to 57%YoY reduction in finance cost given declining financing rates and debt levels.
- Company's offtakes fell 12.3%YoY to 2.1mn tons in FY25 from 2.4mn tons in SPLY, reflecting a focus on nearby markets to maximize retention. Whereas, during 1QFY26 dispatches jumped 18.7%YoY to 0.55mn tons as the company shifted its strategy toward higher utilization.
- As per management, outstanding debt was reduced to PkR8.9bn in Jun'25 from PkR10.5bn in SPLY, which further lowered to PkR6.9bn as of Sep'25.
- Regarding fuel mix, composition of local coal declined to 65% in FY25 from 75% in FY24, while Afghan coal and other blends increased to 5% and 25%, respectively. Current weighted average coal price stands at PkR39-41.5k/ton.
- Moreover, management noted that following the recent border closure with Afghanistan, the company replaced its 5% reliance on Afghan coal with imported coal, primarily from Indonesia and RB2 during the outgoing quarter.
- Power mix during FY25 was 95% captive, comprising 75% CFB (Coal Fired Boiler) and 25% WHR, while 5% is met through the grid. Management stated that they are exploring renewable sources, such as solar energy, to meet their power requirements.
- Management is hopeful that, if economic activity continues on its current growth trajectory and the political situation remains stable, double-digit growth in industry offtakes can be anticipated during FY26, similar to the trend observed in 1QFY26.
- Management expressed intent to pursue expansion opportunities once economic and political condition improves.
- Moreover, management actively intends to pursue opportunities in sectors aligned with cement, such as Steel, dependent on the increase in demand from the construction and real estate sectors.
- We maintain a 'Buy' stance on PIOC with a Jun'26 DCF target price of PkR345.5/sh. Our bullish view is underpinned by i) company's robust deleveraging, ii) improving utilization outlook (FY26E: 45%), and iii) improving gross margins amid efficient power mix.

Disclosure Section

Neither the information nor any opinion expressed herein constitutes an offer or a solicitation of an offer to transact in any securities or other financial instrument and is for the personal information of the recipient containing general information only. AKD Securities Limited (hereinafter referred as AKDS) is not soliciting any action based upon it. This report is not intended to provide personal investment advice nor does it provide individually tailored investment advice. This report does not take into account the specific investment objectives, financial situation/financial circumstances and the particular needs of any specific person. Investors should seek financial advice regarding the appropriateness of investing in financial instruments and implementing investment strategies discussed or recommended in this report and should understand that statements regarding future prospects may not be realized. AKDS recommends that investors independently evaluate particular investments and strategies and it encourages investors to seek the advice of a financial advisor.

The appropriateness of a particular investment or strategy will depend on an investor's individual circumstances and objectives. The securities or strategies discussed in this report may not be suitable for all investors, and certain investors may not be eligible to purchase or participate in some or all of them.

Reports prepared by AKDS research personnel are based on public information. AKDS makes every effort to use reliable, comprehensive information, but we make no representation that it is accurate or complete. Facts and views presented in this report have not been reviewed by and may not reflect information known to professionals in other business areas of AKDS including investment banking personnel. AKDS has established information barriers between certain business groups maintaining complete independence of this research report.

This report has been prepared independently of any issuer of securities mentioned herein and not in connection with any proposed offering of securities or as agent of any issuer of any securities. Neither AKDS, nor any of its affiliates or their research analysts have any authority whatsoever to make any representation or warranty on behalf of the issuer(s). AKDS Research Policy prohibits research personnel from disclosing a recommendation, investment rating, or investment thesis for review by an issuer prior to the publication of a research report containing such rating, recommendation or investment thesis.

We have taken all reasonable care to ensure that the information contained herein is accurate, up to date, and complies with all prevailing Pakistani legislations. However, no liability can be accepted for any errors or omissions, or for any loss resulting from the use of the information provided as any data and research material provided ahead of an investment decision are for information purposes only. We shall not be liable for any errors in the provision of this information, or for any actions taken in reliance thereon. We reserve the right to amend, alter, or withdraw any of the information contained in these pages at any time and without notice. No liability is accepted for such changes.

Stock Ratings

Investors should carefully read the definitions of all ratings used in each research report. In addition, research reports contain information carrying the analyst's view and investors should carefully read the entire research report and not infer its contents from the rating ascribed by the analyst. In any case, ratings or research should not be used or relied upon as investment advice. An investor's decision to buy, sell or hold a stock should depend on individual circumstances and other considerations. AKDS uses a three tier rating system: i) Buy, ii) Neutral and iii) Sell with total returns (capital upside + dividend yield) benchmarked against the expected one year forward floating (variable) risk free rate (10yr PIB) plus risk premium.

Valuation Methodology

To arrive at our period end target prices, AKDS uses different valuation techniques including:

- Discounted Cash Flow (DCF, DDM)
- Relative Valuation (P/E, P/B, P/S etc.)
- Equity & Asset return based methodologies (EVA, Residual Income etc.)

New Rating Definitions

Buy > 15% expected total return

Neutral > 0% to < 15% expected total return

Sell < 0% expected total return

Analyst Certification of Independence

The analysts hereby certify that their views about the companies and their securities discussed in this report are accurately expressed and that they have not received and will not receive direct or indirect compensation in exchange for expressing specific recommendations or views in this report.

The research analysts, strategists or research associates principally having received compensation responsible for the preparation of this AKDS research report based upon various factors including quality of research, investor client feedback, stock picking, competitive factors and firm revenues.

Disclosure of Interest Area

AKDS and the authoring analyst do not have any interest in any companies recommended in this research report irrespective of the fact that AKD Securities Limited may have, within the last three years, served as manager or co-manager of a public offering of securities for, or currently may make a primary market in issues of, any or all of the entities mentioned in this report or may be providing, or have provided within the previous 12 months, significant advice or investment services in relation to the investment concerned or a related investment.

Regional Disclosures (Outside Pakistan)
