

PIOC: 2QFY26 Result Review — Profitability declines on lower retention prices

AKD Securities Limited

Pioneer Cement Ltd. (PIOC) announced its 2QFY26 financial results, reporting earnings of PkR1.6bn (EPS: PkR7.0), down 9%YoY from PkR1.7bn (EPS: PkR7.7) in SPLY. The said decline is primarily attributed to lower retention prices and higher coal cost. Earning came in line with our expectations, however, company skipped dividend against our expectations.

- Revenue increased by 15%YoY to PkR10.3bn from PkR8.9bn in SPLY, primarily due to 28%YoY increase in offtakes to 0.7mn tons. However, a 10%YoY decrease in retention prices partially offset the volumetric growth.
- Gross margins contracted to 29.6% from 41.7% in SPLY, due to aforementioned decline in retention prices and higher weighted-avg. coal cost due to increased mix of Richards Bay coal amid Afghan border closure.
- Finance cost fell by 49%YoY to PkR179mn, compared to PkR347mn in SPLY, driven by easing interest rates and reduced outstanding debt.
- Other Income increased by 6.6x to PkR168mn, compared to PkR25mn in SPLY, primarily due to 54%YoY increase in avg. cash & ST investments.
- Notably, company skipped half-yearly dividend payout, likely due to the ongoing acquisition by MLCF.
- This brings 1HFY26 profitability to PkR2.9bn (EPS: PkR12.7), an increase of 4%YoY from PkR2.7bn (EPS: PkR12.2) in SPLY.
- We maintain our 'NEUTRAL' stance on the PIOC, as we believe the impact of demand recovery and margin improvement is largely priced in. Our Dec'26 target price on the scrip is PkR372/sh.

Disclosure Section

Neither the information nor any opinion expressed herein constitutes an offer or a solicitation of an offer to transact in any securities or other financial instrument and is for the personal information of the recipient containing general information only. AKD Securities Limited (hereinafter referred as AKDS) is not soliciting any action based upon it. This report is not intended to provide personal investment advice nor does it provide individually tailored investment advice. This report does not take into account the specific investment objectives, financial situation/financial circumstances and the particular needs of any specific person. Investors should seek financial advice regarding the appropriateness of investing in financial instruments and implementing investment strategies discussed or recommended in this report and should understand that statements regarding future prospects may not be realized. AKDS recommends that investors independently evaluate particular investments and strategies and it encourages investors to seek the advice of a financial advisor.

The appropriateness of a particular investment or strategy will depend on an investor's individual circumstances and objectives. The securities or strategies discussed in this report may not be suitable for all investors, and certain investors may not be eligible to purchase or participate in some or all of them.

Reports prepared by AKDS research personnel are based on public information. AKDS makes every effort to use reliable, comprehensive information, but we make no representation that it is accurate or complete. Facts and views presented in this report have not been reviewed by and may not reflect information known to professionals in other business areas of AKDS including investment banking personnel. AKDS has established information barriers between certain business groups maintaining complete independence of this research report.

This report has been prepared independently of any issuer of securities mentioned herein and not in connection with any proposed offering of securities or as agent of any issuer of any securities. Neither AKDS, nor any of its affiliates or their research analysts have any authority whatsoever to make any representation or warranty on behalf of the issuer(s). AKDS Research Policy prohibits research personnel from disclosing a recommendation, investment rating, or investment thesis for review by an issuer prior to the publication of a research report containing such rating, recommendation or investment thesis.

We have taken all reasonable care to ensure that the information contained herein is accurate, up to date, and complies with all prevailing Pakistani legislations. However, no liability can be accepted for any errors or omissions, or for any loss resulting from the use of the information provided as any data and research material provided ahead of an investment decision are for information purposes only. We shall not be liable for any errors in the provision of this information, or for any actions taken in reliance thereon. We reserve the right to amend, alter, or withdraw any of the information contained in these pages at any time and without notice. No liability is accepted for such changes.

Stock Ratings

Investors should carefully read the definitions of all ratings used in each research report. In addition, research reports contain information carrying the analyst's view and investors should carefully read the entire research report and not infer its contents from the rating ascribed by the analyst. In any case, ratings or research should not be used or relied upon as investment advice. An investor's decision to buy, sell or hold a stock should depend on individual circumstances and other considerations. AKDS uses a three tier rating system: i) Buy; ii) Neutral and iii) Sell with total returns (capital upside + dividend yield) benchmarked against the expected one year forward floating (variable) risk free rate (10yr PIB) plus risk premium.

Valuation Methodology

To arrive at our period end target prices, AKDS uses different

valuation techniques including:

- Discounted Cash Flow (DCF, DDM)
- Relative Valuation (P/E, P/B, P/S etc.)
- Equity & Asset return based methodologies (EVA, Residual Income etc.)

New Rating Definitions

BUY > 15% expected total return
NEUTRAL > 0% to < 15% expected total return
SELL < 0% expected total return

Analyst Certification of Independence

The analysts hereby certify that their views about the companies and their securities discussed in this report are accurately expressed and that they have not received and will not receive direct or indirect compensation in exchange for expressing specific recommendations or views in this report.

The research analysts, strategists or research associates principally having received compensation responsible for the preparation of this AKDS research report based upon various factors including quality of research, investor client feedback, stock picking, competitive factors and firm revenues.

Disclosure of Interest Area

AKDS and the authoring analyst do not have any interest in any companies recommended in this research report irrespective of the fact that AKD Securities Limited may have, within the last three years, served as manager or co-manager of a public offering of securities for, or currently may make a primary market in issues of, any or all of the entities mentioned in this report or may be providing, or have provided within the previous 12 months, significant advice or investment services in relation to the investment concerned or a related investment.

Regional Disclosures (Outside Pakistan)

The information provided in this report and the report itself is not intended for distribution to, or use by, any person or entity in any jurisdiction or country where such distribution or use would be contrary to law or regulation or which would subject AKDS or its affiliates to any registration or licensing requirements within such jurisdiction or country.

Furthermore, all copyrights, patents, intellectual and other property in the information contained in this report are held by AKDS. No rights of any kind are licensed or assigned or shall otherwise pass to persons accessing this information.
